SURGICAL SOLUTIONS

Why Choose Surgical Solutions?

At Surgical Solutions, our success starts at the top. Our executive team brings over **140 years of combined healthcare experience**, making us a trusted partner for hospitals, health systems, and Ambulatory Surgery Centers (ASCs). We are **accomplished hospital executives and operational leaders**, with proven track records of driving efficiencies, improving quality of care and ensuring financial performance.

What truly sets us apart is our **patient-centric approach**. We are passionate about caring for people, and that passion is evident in everything we do. Our leadership team is committed to making a difference, ensuring that our solutions not only enhance operational efficiency but also improve patient outcomes. We collaborate closely with our partners to develop customized programs that address the specific needs of each facility, from managing capital equipment to supporting OR and Sterile Processing teams.

Together, our executive team...

- Brings over **140 years of combined healthcare leadership experience**
- Has a proven track record of **driving operational efficiency** and improving care quality
- Focuses on a **patient-centric approach** that prioritizes excellent outcomes for both patients and healthcare providers
- Leads with a focus on financial and **operational performance improvements** for partner facilities

Who We Are

Founded in 2007, Surgical Solutions has built its reputation by offering high-quality, mission-critical support to partner facilities. Our leadership is at the heart of our organization's ability to deliver customized services that help facilities enhance their operational performance, increase physician satisfaction, and improve patient care.
